

United Plant Savers COVID Visitor Protocols

- Please do not visit if you are having any severe symptoms of COVID-19 (fever, persistent cough, shortness of breath, etc.)
- Masks are required inside buildings, but not outdoors on trails.
- Follow social distancing guidelines of 6 ft.
- Compost toilets are available in the green barn for use.
- PLEASE wash or sanitize your hands frequently, wash stations and sanitizer are provided in the green barn.
- Kitchen & cooking space will not be provided for guests.
- Please respect all other visitors and their personal choices around COVID-19, we are all coping with this differently.
